

Appl. No. : 10/530,108  
Filed : April 1, 2005

### REMARKS

Claims 5, 9, 13, 15, 16, 19-21 and 23 have been amended. No new matter has been added by these amendments.

Restriction to one of the following groups was required under 35 USC 121 and 372:

Group I      Claims 1-16 and 19-23, drawn to a process for the expansion of TALL lymphocytes;

Group II      Claims 17, 18 and 24, drawn to TALL lymphocytes.

In response to this Restriction Requirement, Applicant elects Group I, that is Claims 1-16 and 19-23.

#### *Species election*

Additionally, an election of a specific type of TALL lymphocyte (listed in Claim 8) was required, if Group I was elected. In response to this restriction requirement, Applicant elects TALL-104 lymphocytes, with the understanding that upon allowance of a generic claim, applicant will be entitled to consideration of claims to additional species which are written in dependent form or otherwise include all the limitations of an allowed generic claim as provided by 37 CFR 1.141. Currently, Claims 1-7 and 10-15 are generic for, and Claims 8, 9, 16, and 19-23 read on the elected species.

Please charge any additional fees, including any fees for additional extension of time, or credit overpayment to Deposit Account No. 11-1410.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
